## Boorley Park Community Centre to open in January 2023

After a very long and complicated handover the Parish Council is pleased to announce that the Boorley Park Community Centre is being equipped and made ready to open for public use from 03 January 2023. An official opening event will be held in the New year.

A full programme of activities will be available, see page 2 for details. Rooms in the building will be available seven days a week. The Sports Pavilion also has a meeting room available to hire.

If you would like to hold a birthday party or family event at the Centre please call the Parish Council office on 01489 787181.

Along with the programme of commercial activities informal community events, such as coffee mornings, will be arranged during the

coming months. The Parish Council's Facebook page will keep everyone up to date with the plans.

In the longer term it is intended that one of the halls in the Community Centre will be set up and opened as a community café for residents to meet and socialise.

The football pitches are being renovated to make them available for league football matches. Part of the grassed area of the sports pitches will be retained as recreational space and seating will be installed in the spring.

Unfortunately the Parish Council is still waiting for an update from the Development Consortium on the progress of handing over the allotment site. As soon as there is some positive news residents on the waiting list will be contacted.

# Botley Neighbourhood Plan

In the previous edition of the Botley News, I outlined The Vision of the Botley Neighbourhood Plan with an explanation of the processes required for our

Neighbourhood Plan to be successful. I would like to take this opportunity to update you with the latest progress as we move towards completion of the statutory process.

During October the Council delivered to all residents of Botley an Executive Summary which outlined the policy areas covered by the Neighbourhood Plan with some background to the preparation process. The introductory letter and comment form delivered with the Summary asked residents to provide their comments and suggestions about the draft policies.

It is expected that over the coming weeks, there will be an increase in questions asked and points queried, all of which will be reviewed at the end of the consultation period by the Parish Council's Neighbourhood Planning Committee.

Any required adjustments will be made to the Submission (Examination) version of the Neighbourhood Plan which will be presented to the Parish Council for approval prior to submission to Eastleigh Borough Council.

The final versions of the Botley Neighbourhood Plan documentation are available on-line via the following link:

## HAMBLE VALLEY ROTARY CLUB

Christmas is not far away and Hamble Valley Rotary is getting ready to celebrate! We started with our annual Christmas Shoebox Scheme distributing presents to disadvantaged children in Eastern Europe and we are happy to confirm that a total of 18,207 boxes have been collected by our Wessex District. Some of the boxes will go to Ukrainian children living as refugees in Romania and Moldova.

Thank you to the parents and children of Botley, Curdridge, Durley and Hamble Primary Schools for their generous donations.

Next on the calendar is our traditional musical Carol Float, complete with Santa, his deer and elves driving round the streets of West End, Hedge End and Botley collecting money for local causes. We will also be present at Boorley Green and Tesco in Bursledon where we hope to bring a bit of music and joy!

We are very pleased to confirm a donation of £500 to the Hound Food Bank and a donation of £200 to Botley NeighbourCare. Other donations are planned for 2023.

Our Environment Projects are still continuing, namely helping Botley Primary School with their Garden Projects and the planned donation of trees to be planted in the new woodland near Manor Farm.

We also continue with our convivial litter picking sessions.

For up-to-date information please visit our website, where you will find the Carol Float Routes and dates as well as the static collections. We also have a Facebook page and some of us even Tweet!

Don't forget that you would be very welcome as new members if you are thinking about joining a worldwide service organisation.

Consult Hamble Valley Rotary Club website for information:  
[www.hamblevalleyrotary.co.uk](http://www.hamblevalleyrotary.co.uk)

With our warmest wishes for a Merry Christmas and a Happy New Year!

## Botley & Curdridge Welfare Trust

The Welfare Trust is a local charity which can be a safety net for people who may be in need and live within the Parishes of Botley and Curdridge.

All requests are dealt with in strict confidence.  
If you are in need of help or know someone who is in need, please contact Vanessa Bord on 01489 786245.

## Botley Centre Weekend Caretaker/Cleaner

## Botley Twinning Association

The Association has been running for 25 years and is made up of members from all walks of life: those interested in France and the French way of life, those wishing to learn a little more of the language and those who just want to be part of a fun, happy, sociable village group.

Since 1997 we have been twinned with St Jean Brevelay, a group of eight villages in Brittany, near Vannes. The two Associations take turns to visit each other: one year we go to France, the next they come to visit us. The High Street red, white and blue ribbons will let you know when our visitors are here. Trips to and from France have been curtailed in recent years due to the Covid pandemic, but we are now raring to get going again. Our French friends are due to come over in May 2023.

We arrange fundraising events through the year, from Quiz Nights to Garden Parties. Look out on the village noticeboards and the Botley Parish website for details of events coming up soon.

We are always on the lookout for host families so if you think you could help, or if you would just like information on who we are please get in touch—  
lynn.gosden51@gmail.com (01489 799395) or  
carol.hussey@hotmail.com (01489 781488).

We will be pleased to hear from you!

## **"Warm Spaces"** (also known as "Warm Banks")

The rapidly rising cost of fuel means that many people will be unable to afford to heat their homes this winter.

Across the country, "Warm Spaces" are being set up in churches, libraries, etc. where people suffering fuel poverty can go to get warm, and we will be opening the foyer of All Saints' Church during the daytime for this purpose.

If we can get sufficient volunteers we could use our small kitchen to provide hot drinks and light refreshments.

If you would like to help, please contact the church office by email ([office@bcd-churches.org.uk](mailto:office@bcd-churches.org.uk)) or call 01489-782445.

## **THE PROBUS CLUB OF HAMBLE VALLEY**

**FOUNDED JANUARY 1982  
NEW MEMBERS WELCOME**

Our members are a very social group of retired and semi retired men spanning a range of ages and backgrounds. We have two meetings a month on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesdays (excluding July and August) held in the Diamond Jubilee Hall at the Botley Centre from 10am to 12noon.

At our meetings we enjoy a chat over a cup of coffee before a short club business update followed by interesting talks from a professional or occasionally a member speaker on an eclectic range of topics.

A number of away days are included in our programs which are two Breakfast Meetings at The Dolphin in Botley Square, which are enjoyed by all. Also a President's Away Day and a Christmas Lunch, to which wives/partners are invited.

Should you be interested in joining us you are more than welcome to come along as our guest, to a couple of meetings, after which we hope you will want to become a paid up member.

For further information, please contact our Club Secretary Martin Mills on 01489 788659. Alternatively just turn up on the doorstep on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of the month at 10am. You will be very welcome.

**Do you have a few hours spare that could be used to volunteer for Botley Parish Council?**

**We are extremely grateful to our band of volunteers but we can always welcome more!**

## Services for Young Children Parents, don't miss out!

### Free education and childcare for 2-year-olds and early years

**Your 2-year-old can get free childcare if you receive any of the following benefits:**

- Income Support
- income-based Jobseeker's Allowance (JSA)
- income-related Employment and Support Allowance (ESA)
- Universal Credit, and your household income is £15,400 a year or less after tax, not including benefit payments
- the guaranteed element of Pension Credit
- Child Tax Credit, Working Tax Credit (or both), and your household income is £16,190 a year or less before tax
- the Working Tax Credit 4-week run on (the payment you get when you stop qualifying for Working Tax Credit)

2-year-olds can also get free childcare if they:

- are looked after by a local authority
- have an education, health and care (EHC) plan
- get [Disability Living Allowance](#)
- have left care under an adoption order, special guardianship order or a child arrangements order

You may have to pay for extra costs like meals, nappies or trips. If your immigration status says you have 'no recourse to public funds', you may still get free childcare for your 2-year-old. See here for details: [Help paying for childcare: Free education and childcare for 2-year-olds - GOV.UK \(www.gov.uk\)](#)

### For further details and to apply

The free offer starts the term after your child is 2. To find out more visit [Free Early Years Education \(EYE\) funding for eligible 2 year olds | Children and Families | Hampshire County Council \(hants.gov.uk\)](#) or speak to your childcare provider.

If your child is in early years education, your early years provider could be eligible for extra funding to help support your child.

### Early years pupil premium

Your child's early years education provider could get up to £342 per year to help with your child's education. This will be paid direct to your provider.

### Who can apply

You can apply for early years pupil premium if your child is aged 3 or 4 and you get [15 hours free childcare](#).

You must also get at least one of the following:

- [Income Support](#)
- income-based [Jobseeker's Allowance](#)
- income-related [Employment and Support Allowance](#)
- support under [part six of the Immigration and Asylum Act 1999](#)
- the guaranteed element of [State Pension Credit](#)
- [Child Tax Credit](#) (provided you are not also entitled to [Working Tax Credit](#)) and have an annual gross income of no more than £16,190
- [Working Tax Credit](#) run-on, which is paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - your household income must be less than £7,400 a year after tax not including any benefits you get

You may also get early years pupil premium if your child is currently being looked after by a local authority in England or Wales or if your child has left care in England or Wales through:

- Adoption; special guardianship order; a child arrangements order

### How to apply

To apply for early years pupil premium speak to your childcare provider or contact — [Services for Young Children](#)

# **BOTLEY, CURDRIDGE AND DURLEY HISTORY SOCIETY**

The common stereotype of Christmas and winters past, of crisp snow and of ice-skating on frozen rivers and ponds, is often to be seen in our Christmas cards and heard in our Christmas carols and songs. However, in reality it wasn't always like that. In this area, the Christmas season could just be wet, wet, wet.

The River Hamble is tidal for about half its length. Its high tide was very useful to Botley when the river was used to transport goods. Barges and flat-bottomed boats could navigate the river from Hamble up to Botley. All sorts of heavy goods were carried in past years, such as coal, grain and flour, and building materials, as it was easier than dragging it around on the (often muddy) roads. Botley Parish Quay was in use for this until around 1914. However the River Hamble also has a talent for flooding.

The following report was in the Hampshire Chronicle of Monday 7<sup>th</sup> January 1828 (during Georgian times) "Botley – The heavy rains during the last week have caused many parts of the country to be flooded to an almost unprecedented degree. At Botley, and along the valley in which it is situated, the effects have been very destructive. During the early part of Tuesday the waters rose to a great height and about seven

o'clock in the evening an overpowering torrent came down the country with great impetuosity, carrying everything before it, which caused a great rise in the stream at Botley Mill, covering the lower part of the building to the depth of more than 4 ft. The pigsties, and other temporary outbuildings, were completely washed away by the torrent and some valuable horses were saved with difficulty. At Durley, the rush of water was so excessive and sudden that many of the inhabitants were under the necessity of retiring for safety to the upper parts of their houses. The walls on each side of the bridge at Botley were completely washed away, as were the several fences contiguous to the river, particularly those belonging to the estate formerly occupied by Mr Cobbett, of which scarcely a vestige remains." This is Sherecroft, once called Botley Hill).

A later newspaper report (of 4<sup>th</sup> January 1913) was reporting on Boxing Day (26<sup>th</sup> December 1912) one hundred years ago, and touching on another flood in 1886 – "High tide – The residents in the neighbourhood of Botley Mill and Curdridge will have every cause for remembering the remarkable floods of Boxing Day, when the highest tide for something like 26 years was experienced. The water

very quickly rose to over four feet in the Old Bark Stores (now used as a boathouse), the cottage at Pink Mede (their spelling), and similar low-lying houses being flooded out. At the Mill the water was knee deep, and also washed over the footbridge in the grounds of Botley Hill. The tide was very much higher than in 1886, but on that occasion, however, more damage was done, the water washing away the footbridge at Botley Hill and drowning a horse in the stables at the Mill before it could be got out." Although we need the water, let's hope we don't have quite such a wet time this year!

(Taken from press cuttings kept by Vi Cooke of Curdridge at the time of publication).

Sue Perry, Secretary
