

Update - March 2020

We have now moved from developing the Evidence Base for the Botley Neighbourhood Plan (BNP) to creating, with the help of Planet our professional advisers, the first skeleton draft of the BNP. This will identify the policies required to achieve the Objectives, that is things that can be achieved through the planning process. The latest version of the BNP Objectives and Community Aspirations can be seen using this [link](#).

The Botley Neighbourhood Plan Committee (BNPC) will consider the skeleton BNP and produce any additional evidence that is required to support the policies. Together with Planet the BNPC will use the skeleton BNP to create the first full draft BNP, which hopefully will be ready by the end of April or early May.

After approval of the draft BNP by the Botley Parish Council your views and the views of Eastleigh Borough Council will be sought. Using this feedback, the full consultation BNP will emerge, and this would be used for the formal consultation with you, the local residents, and with various statutory and interested bodies. If all goes according to plan this will happen in September.

The latest report of the BNPC to the Botley Parish Council can be found using the [Report link](#) and any changes in the Working Papers in the past month be found using the [Changes link](#).

If at any time you want to comment on any aspect of the BNP please send your views to [NP-feedback@botley.com](mailto:NP-feedback@botley.com) or in writing to the Parish Office.

There is still a need for local residents to take an active part in the next stage of developing the BNP and later with moving forward with the Community Aspirations.

If you would like information about becoming involved in the further development of the BNP please contact either David Weeden ([david.weeden@botley.com](mailto:david.weeden@botley.com)) or the Parish Clerk (by visiting the Parish Office in the Botley Centre, by phoning the Parish Office on 01489 787181 or by email to [parish.clerk@botley.com](mailto:parish.clerk@botley.com))

On behalf of Botley Parish Council

Councillor David Weeden

Chair Botley Neighbourhood Plan Committee
