

Update - July 2020

The Botley Parish Council (BPC) would wish all residents to be mindful of the needs of others as we move forward slowly to a more normal life. Volunteers providing help are still available and the details of how to get help, as were the details on how to volunteer help, were covered in the Spring edition of the Botley News, which can be seen using this [link](#).

In practical terms Graham Hunter has continued as Vice Chair of the Botley Neighbourhood Plan Committee (BNPC), as this was the unanimous wish of the Committee members. The BPC will consider a resolution to change the Terms of Reference of the BNPC so that the Vice Chair does not have to be a Parish Councillor that he continued as Vice Chair and the Parish Council have changed the BNPC's Terms of Reference so that the Vice Chair does not have to be a Councillor.

Currently we are engaged in revising second draft of the Botley Neighbourhood Plan (BNP) created by Planet, our professional advisers. This is based on the latest version of the Objectives, which were created using the comments you made in the surveys and at public meetings. The latest version of these can be seen using this [Objectives link](#).

The Evidence Base used to underpin the policies in the BNP, which are how we will achieve through the planning process the Objectives we have agreed, can be seen on the Neighbourhood Plan page on the Botley web site

The latest report of the BNPC to the Botley Parish Council can be found using the [Report link](#). There has been a minor revision of the Transport Paper and details of these changes can be seen using the [Changes link](#).

If at any time you want to comment on any aspect of the BNP please send your views to [NP-feedback@botley-pc.gov.uk](mailto:NP-feedback@botley-pc.gov.uk) or in writing to the Parish Office.
