

Neighbourhood Planning Group

Agenda – 29th March 2016

Apologies:

Reports:

Ian:

- Derek erected the Banner at the Botley Market Hall.
- Rapid data entry program written
- Surveys, delivered, collected and data entry has started.
- At least three people have replied to our request to help.
- Additional Mailing group set up (np@botleynp.co.uk)

Lesley:

Reported that Eric Pickles had put on hold plans for 280 homes in Buckinghamshire after a parish council warned that the local council's decision to approve the application would undermine work on its emerging neighbourhood plan. How can we follow this up?

Derek:

Did we get any response from the media?

Examine offers of help from public.

119 Stakeholders – Have we had any feedback? Do we need a more pro-active approach?

Planning the remaining data entry.

Examine where we are re. Developing the Evidence Base

Refine timeline as data entry has not been completed – Is it still feasible?

- 28th March 2016: Analysis of returned surveys to be completed and a report produced.
- 18th to 20th April 2016: Initial public “Exhibition”
