

Settlement Gap between Boorley Green, Curdridge and Botley Village

Note that the area marked as Upland Farm is Eastleigh Area BO2 which has planning permission for about 300 houses

Settlement Gap East of Brook Lane

There is already a Settlement Gap between Hedge End and Brook Lane. This completes the gap between the settlement of Hedge End and Botley Village.

The edge of the existing Settlement Gap at Hedge End Settlement is actually in the Parish of Botley and is known colloquially as Western Botley.
