

Change list for Parish Council meeting on 08 October 2019

Communication Paper (v8) in NP Evidence Base

Additional paragraphs added covering posts on Nextdoor Botley, Facebook and Notice boards and for Botley Neighbour Care and Botley Market Hall. No changes in intent. Changes in paragraphs 1.31, 1.41, 1.43, 1.44 and 1.45

Botley Strategic Housing Land Availability Assessment (v19) in NP Evidence Base

Minor changes to improve clarity or consistency of text. No changes in intent.

Housing Paper (v15) in NP Evidence Base

Minor changes to improve clarity, consistency of text or add hyperlinks in paragraphs 2.4, 2.6, 3.16, 3.18, 3.21, 5.11a, 5.11b, 5.21b, 5.37, 6.9d, 6.9d(i), 7.7c(v) and 7.7c(viii). No changes in intent. Changes in intent in 5.15 (SHLAA-3-12-C, Land east of Kings Copse Avenue) and 5.22 (SHLAA-3-21-C, Woodhill School)

5.15	c	In the Parish Council's view one important aspect if this site was developed would be the provision of allotments, as there are none in western Botley, and, if ground water levels permit, space for a new cemetery.
5.22	b	The Parish Council considers that the site could be used for low-density residential development with an emphasis on affordable housing. In the Parish Council's view one important aspect, if this site was developed, would be the acquisition of part of the site to provide a footpath link between the Brook Lane end of Experimental Lane and the High Street Recreation Ground, thus providing a continuous public footpath between Hedge End and Botley.

Infrastructure Paper (v21) in NP Evidence Base

Minor changes to improve clarity, consistency of text or add hyperlinks in paragraphs 1.1, 1.2, 1.14, 3.6b, 5.7, 5.14d, 7.3a, 7.8a, 7.8c-e, 7.8h-l, 7.8i and 9.9c. No changes in intent. Changes in intent in 4.12a-c (Recreation Objectives), 7.1d (Utilities – Broadband) and 9.8a-b (New Homes Bonus Scheme).

4.12	a	Engage and actively involve residents, where appropriate, in the maintenance and improvement of all existing and future recreation facilities in the Parish, for example by actively supporting the Friends of Pudbrook and the Friends of Little Hatts.
	b	Work with the residents at Boorley Park to set up a Friends of Boorley Park group to assist in the maintenance and improvement of the recreation facilities at Boorley Park.

	c	Encourage residents, through forums, meetings and publicity, actively to use all existing and future recreation facilities in the Parish.
7.1	d	Many residents, particularly the elderly or less able, may have no access to the internet. It is reported in the media that one fifth of United Kingdom residents have no access to the internet and this leaves them potentially socially isolated. Therefore, it is important that these residents have easy access to the internet via facilities provided in community centres. Currently Botley Centre in the High Street, has provision for an Information Terminal, but no equipment is installed, equally the new Boorley Park Community Centre could have provision for such a terminal. Access could be restricted, for example, to Government sites, such as Job Centre, Pensions, HM Revenue & Customs, the Passport Office, Driver & Vehicle Licensing Agency, NHS Choices, Hampshire County Council, Eastleigh Borough Council, Botley Parish Council, Healthcare Providers and Public Transport Providers. The equipment could be funded from the New Homes Bonus Scheme. It would need to be maintained by an outsourced IT Service provider in line with the developing Botley Parish Council IT Policy.
9.8	a	The New Homes Bonus Scheme was introduced by the Government in 2011. The Scheme provides cash for areas that allow new homes to be built in their area. Government funding has been set aside for local councils that welcome new housing development, which they can spend to benefit their local community. Under the Scheme the Government matches the Council Tax raised from new homes, conversions or long-term empty dwellings brought back into use for the first six years. Also, there is additional payment for the construction of Affordable Housing.
	b	Councils and communities work together to decide how to spend the extra funding, for example Council Tax discounts for local residents, boosting frontline services like rubbish collection or providing local facilities like swimming pools and leisure centres. To date there does not appear to have been any consultation with Parish Councils or directly with residents of Eastleigh Borough.
